

The Wonder of Christmas

*There is one God and one Mediator between God and men,
the Man Christ Jesus, who gave himself a ransom for all.
I Timothy 2:5 & 6*

Galatians 4:4, Philippians 2:6-8

The wonder of Christmas is God's gracious plan
To send us His Son as a genuine man;
To have Him partake of our nature by birth
And live as a man on this sin-sickened earth.

I Peter 2:22, I John 2:2, Romans 5:18-19

He walked through the world untainted by sin
To satisfy God for the children of men;
Then died as a man for the whole human race,
So those who repent could be saved by His grace.

Hebrews 2:17-18, Hebrews 9:27, I John 2:1

He rose from the grave and ascended on high,
A glorified man in the courts of the sky;
Who bore all our sins from the worst to the least,
And represents us as our perfect High Priest.

Revelation 3:2, Hebrews 4:15-16

He sits as a man on the heavenly throne,
And sees when we suffer and hears when we groan;
He knows how it feels when temptations assail,
And flies to our aid when we're likely to fail.

Ephesians 3:18-19, Hebrews 12:2-3

So pause as the season of Christmas draws near
To worship the Savior afresh every year;
And measure the love of the Lord if you can,
By what He endured by becoming a man.
