

Hear My Prayer

Lord, keep my mind
In perfect sync with Yours.
Help me to value
Only what endures;
Holy at heart,
In thought, and word, and deed.
Lord, hear my prayer,
It's what I really need.

Please teach me as
My Christian life matures,
To turn away
From Satan's tempting lures;
To walk apart
From sin as You've decreed.
Lord, hear my prayer,
For holiness I plead.
