

## JESUS CHRIST IS COMING AGAIN

I'm keepin' alert,  
I'm watchin' the sky,  
I'm listenin' up,  
I'm tellin' you why,  
Jesus Christ is coming again.  
*He knows when we are sleeping,  
He knows if we're awake,  
He knows if we're expecting Him,  
So wake up for goodness sake.*

He's fixin' a place,  
It's gonna to be nice,  
Better be quick  
To take His advice.  
Jesus Christ is coming again.

The trumpet'll sound,  
The Savior'll shout,  
The Christians'll rise,  
The lost be left out.  
Jesus Christ is coming again.  
*He knows when we are sleeping,  
He knows if we're awake,  
He knows if we're expecting Him,  
So wake up for goodness sake.*

There's never a doubt,  
Gonna say, "Bye,"  
Gonna check out,  
I'm tellin' you why,  
Jesus Christ is coming again.  
Jesus Christ is coming again.
