

Changing Water into Wine  
*(John 2:1-11)*

While we wait our presentation  
As the church, the Savior's bride,  
Grace has seated us in heaven  
At the table by His side;  
Where we feast upon the manna  
Of God's rich and holy board,  
And enjoy the heavenly vintage  
Of communion with our Lord.

But our faith is slow to fathom  
Grace that flows so full and free,  
And the joy of our salvation  
Seems to ebb eternally;  
And our Savior knew His children  
Would be running out of wine,  
So He gave us this example  
To be followed down the line.

Gather with your Christian cohorts;  
Take the Water of the Word,  
Pour it into one another;  
Mix it 'til each point is heard;  
Draw out what should be presented  
As your worship at His feet,  
And the Lord will change the water  
Into wine where Christians meet.
