

## MY SONG

*He has put a new song in my mouth.*

*Psalms 40:3*

Jesus loves me.

Jesus loves me.

That's my song my whole life long;

And for eternity.

He died for me.

He died for me.

Died to win my soul from sin

On Calvary's cruel tree.

He lives for me.

He lives for me.

Satisfied because He died,

God raised Him gloriously.

He watches me.

He watches me.

Looks this way throughout the day,

From sin to keep me free.

He'll come for me.

He'll come for me.

Soon His shout will call me out

To Heaven His face to see.
