

## Quote Note

I wrote these quotes the way they fell,  
In mangled words so hard to spell  
That it was difficult to tell  
If I was doing very well.

My spellin' checker had a fit,  
But I'll be honest 'n' admit,  
Although it rankled me a bit  
I was awready used to it.

But what my soul considered sad  
Was though I nearly always had  
Quotation marks around the bad,  
The grammar checker drove me mad!
