

THE YEAR OF THE LOVER'S LEAP

**He never did anything early;
He never did anything late;
But when he didn't ask her the question,
She got too disgusted to wait.**

**She issued a firm ultimatum
Of three hundred sixty-five days;
He noted the date on his iPod,
But never amended his ways.**

**He came to propose at the deadline.
"A year to the day," he'd debate;
But she had just pledged to another...
*On leap year don't go by the date!***

*With apologies,
